

Is it hard to keep your home warm enough ?

Are your fuel bills too high?

Would you like to save money by making your home more energy efficient?

Do you need Loft or Cavity Wall Insulation?

Is your boiler broken?

COSY HOMES IN LANCASHIRE

Local Authorities across Lancashire working together to make homes warmer and healthier. Offering the following measures FREE or heavily subsidised in most instances (subject to survey)

First time Central Heating (gas, oil or LPG)

Boiler Replacement

Wall or Loft Insulation

If you would like to enquire what measures are suitable for your property and see what level of funding they could attract then contact Firefly Energi, the scheme administrator, who will contact you directly to organise a survey of your property.
